

# ANNOUNCING OUR NEW FLAT RATE BINDERS

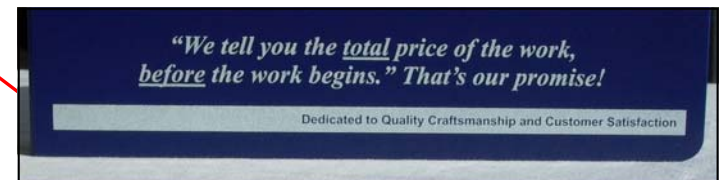

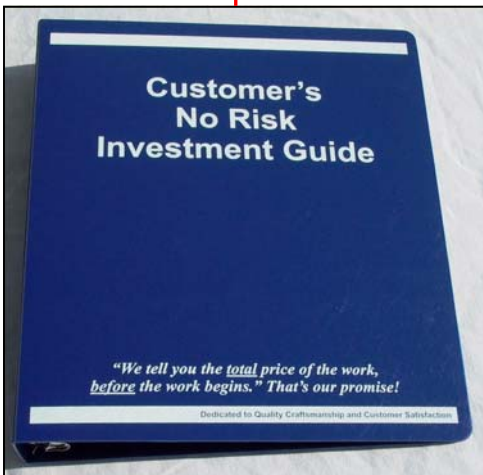

## Give Your Company and Your Techs a Professional Appearance

Our professionally designed binders will give your company the professional look you need. These will outlast any "off the shelf" binders. Your books won't have that "homemade" look. Each book includes white letters on a patriotic American blue background. These are heavy duty 7 ring binders. Seven hole punched paper is about 400% more durable than three hole punched paper. These premium binders are designed to resist oil, grease, and other liquids. Hole punches are available through us or most office supply stores.

Each spine is imprinted with white letters on a patriotic blue background.

You have extra room to apply your own company logo or just use one of your existing equipment stickers.

The benefits of guaranteed pricing! Show your client you care.

Our tight 7-ring binder prevents tearing and helps assure papers will not fall out. 1" steel rings hold 175 pages.

Our extra thick non laminated plastic covers assure the ultimate in durability.
