

ANNOUNCING OUR NEW ZIPPERED PORTFOLIOS

Special Purchase Saves You 70%

Give your technicians or sales personnel the professional look they need and deserve. Our simulated leather zippered portfolios make a great choice for technicians, managers, and sales personnel. These binders have seven heavy duty 1.5" steel rings. Seven hole punched paper is over 400% more durable than three hole punched paper.

We made a special purchase on a nationally known brand of premium zippered portfolios. These are advertised for \$99.99. We are selling them for just \$29.99 while supplies last. Hurry and get them now before they are all sold out. These are new portfolios; they are NOT irregulars.

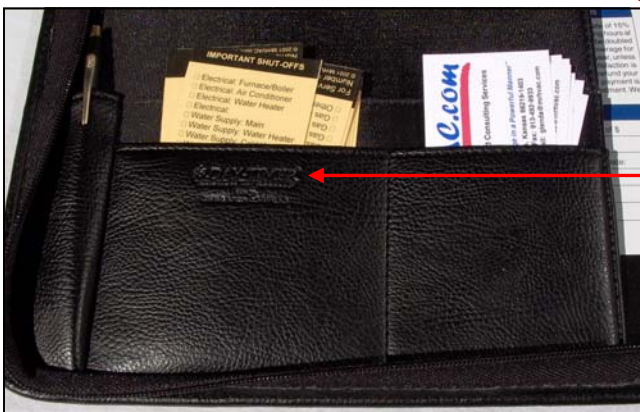

The tight 7-ring binder prevents tearing and helps assure papers will not fall out. 1.5" steel rings hold 280 pages.

Includes a slot to attach a pad of paper or even a pad of service invoices.

Form pocket is a great place to store invoices, sales proposals, and maintenance agreements.

This nationally known brand that sells in catalogs and on the web for about \$100.00 or more. Because of a special purchase, we cannot mention the brand in writing.

These cases include a pen holder and extra deep pockets for storing business cards, valve tags, etc.
